FloorGuard Grip Grey

FloorGuard Grip Clear

Reaction to fire

All STREbord® branded products can be upgraded to enhanced spread of flame and fire protection. Foil backing in silver or white can enhance the performance of these products to B-s1-d0 (Silver) and B-s2-d0 (White) under EN 13501-1 and to Class 0 under BS 476 Pt 6 and Pt 7 for spread of flame protection as a ceiling.

White Foil

Silver Foil

Note Colour reproduction is as close as possible to the actual surface finishes. It is recommended that you obtain samples prior to final specification.
