

MR MDF Primed Matchboard FSC®

Designed for use in humid conditions, STREmatch® offers a perfect labour saving solution for finishing walls & ceilings and joinery applications. STREmatch® gives the appearance of high quality tongue and groove panelling without the traditional problems of shrinkage.

Features and Benefits

- High quality moisture resistant FSC® MDF
- Available in long and cross grooved in most sizes
- 2440 or 3050 panel sizes available
- Finished with white primer coat
- Selected items also available unprimed
- Non-standard patterns and finishes available to order
- Domestic applications: wall panelling, ceilings, bath panels and kitchen fittings
- Commercial applications: shop/restaurant fittings, exhibition stands and reception desks
- Convenient handy size packs
